Our branch office in Kempten/Allgäu

Welcome to Soloplan

Dear business partners, dear guests

Soloplan GmbH is located at Berliner Platz in Kempten, the oldest city of Germany. The Allgäu region situated in the foothills of the Alps in southwest Bavaria is known for its mountains, green meadows, blue lakes and of course for its brown cows, the "Allgäu Braunvieh".

A good infrastructure with a well-connected rail network and the regional airport in Memmingerberg are further factors in the success of the Allgäu region, which geographically begins at the A96-A7 motorway intersection in Memmingen.

To ensure you a pleasant stay, we have compiled a list of hotel recommendations for you. We will gladly assist you with any advance reservations. Of course, you can also book your accommodation yourself.

We look forward to seeing you in Kempten.
